## How to find us from the north

Take the A6 freeway (Autobahn) from Heilbronn to Nuremberg (Nürnberg) as far as the "Kupferzell" exit. Leave the freeway at this exit and turn right onto the B19 highway (Bundesstraße) in the direction of "Schwäbisch Hall". When you arrive in Schwäbisch Hall, turn left at the traffic lights towards "Craislheim/Ellwangen" (B14 highway). After about 1.5 km, turn right further down from the "Bausparkasse Schwäbisch Hall" in the direction of "Ellwangen/Bühlertann" and follow the road about 17 km. In Bühlertann turn right towards Bühlerzell. Follow the road about 5 km. When you arrive in Bühlerzell, turn right at the first intersection in the direction of "Geifertshofen". Then carry on for about another 700m. The building is on your right hand side after the end of the village.
